Preface / Introduction	The MBA Second Semester students of Farook Institute of Management Studies (FIMS) organized an Industrial Visit to VKC Group on 11th February 2026. The visit aimed to provide practical exposure to students regarding real-time industrial operations, management strategies, and organizational structure of a leading footwear manufacturing company.
Objectives	<ul style="list-style-type: none"> • To understand the manufacturing process of VKC Group • To observe production planning and quality control measures • To study supply chain and distribution management • To bridge the gap between theoretical learning and practical exposure • To enhance knowledge about corporate functioning and industrial environment
General Description of the programme	<p>The programme commenced at the campus with the Director addressing the students and providing an overview of the objectives and guidelines of the Industrial Visit. Necessary instructions and expectations were clearly communicated before departure.</p> <p>Upon reaching VKC Group, the students were warmly welcomed by the HR Executive, Ms. Jisha, who delivered a brief introduction about the company and its operations. The students were then guided to the operational areas, where they observed three major sections of the production process and gained practical insights into the functioning of the manufacturing unit.</p> <p>After the factory visit, refreshments were provided to the students. The programme concluded with a feedback and doubt-clearing session, allowing students to interact and clarify their queries. The visit ended with a vote of thanks delivered by the student representatives, expressing gratitude to the VKC management and staff for their support and cooperation.</p>
