Anti-Drug Cell

The Anti-Drug Cell of Farook Institute of Management Studies (FIMS) is constituted to ensure a drug-free campus by strictly prohibiting the possession, consumption, or distribution of drugs and alcohol by students within or outside the college premises.

The Cell organizes awareness programs in association with government-authorized agencies and educates students about the harmful effects of drug and alcohol abuse. It also encourages responsible peer monitoring and reporting of any suspected substance use to the concerned authorities while ensuring confidentiality.

Objectives of Anti-Drug Cell

- To create and maintain a drug-free campus environment.
- To spread awareness about the dangers of drug and substance abuse.
- To prevent initiation and progression of drug addiction among students.
- To ensure no sale or use of drugs or alcohol within the campus.
- To motivate students to actively participate in anti-drug initiatives.
