

DECLARATION ON SAFETY AND SECURITY MEASURES

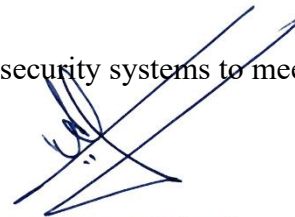

Farook Institute of Management Studies (FIMS), Kozhikode

This is to certify that Farook Institute of Management Studies has implemented comprehensive safety and security measures within the campus to ensure a safe, secure, and conducive environment for students, faculty, staff, and visitors, in compliance with the norms prescribed by All India Council for Technical Education.

The institution has established the following systems and practices:

- **Campus Surveillance:** The campus is equipped with CCTV cameras installed at strategic locations including entry/exit points, corridors, classrooms, library, and common areas, with continuous monitoring.
- **Security Personnel:** Trained security staff are deployed round-the-clock to regulate entry and ensure campus safety.
- **Access Control:** Entry and exit are monitored through a controlled gate system with visitor registration protocols.
- **Fire Safety Measures:** Fire extinguishers, alarms, and safety signage are installed as per safety norms, with periodic inspection and maintenance.
- **Emergency Preparedness:** Clearly defined emergency evacuation procedures and assembly points are established; mock drills are conducted periodically.
- **First Aid & Medical Support:** First aid kits are available across departments, and tie-ups with nearby hospitals ensure prompt medical assistance.
- **Anti-Ragging Measures:** The institution strictly follows anti-ragging regulations with committees, awareness programs, and grievance redressal mechanisms in place.
- **Women Safety Measures:** Internal Complaints Committee (ICC) is constituted as per guidelines to address issues related to women safety and harassment.
- **Electrical & Infrastructure Safety:** Regular inspection and maintenance of electrical systems, laboratory equipment, and infrastructure are carried out to prevent hazards.
- **Clean and Hygienic Environment:** The campus ensures sanitation, waste management, and safe drinking water facilities.

The institution continuously reviews and upgrades its safety and security systems to meet statutory requirements and best practices.
